

Believe in the Love of God, by Tyler Mitchell

So what God is revealing unto me is, when he set me down in 2019 and had me address the Enemies eye was up against. When my mind went topsy-turvy. When eye wrote the book Free, the route to how God freed me of addiction (internalized racism) and eye was in the middle of the trouble. Still God was able to get a message to me, a sound word for what to do to get me back to the other side. Eye can't believe eye am on this side of the battle. To God Be The Glory, Amen!

Love you Lord! Eye had to give him a shout out because Eye would have never found my way back to freedom. Imagine being in cuckoo land all of a sudden you hear Almighty God's voice saying follow me. Eye dropped everything and followed Him.

Eye was there, eye saw the miracle being performed right before my eyes. He asked me what were the enemies eye was faced with? At the time it was mental health addiction, anxiety, PTSD, depression and internalized racism. Eye can remember asking God, is there anything you cannot do? As my defense he set up the communion elements. As eye named these enemies and repented of having them there one by one (eye took ownership,)

He supernaturally removed them; just set me free of them. This was only because of God preparing a table before me in the presence of these enemies, when King Jesus said " And he said unto them, With desire eye have desired to eat this passover with you before eye suffer: (Luke 22:15 KJV)

Eye want to give someone a shot of hope. Who may be faced with any of the enemies eye was

faced with. It is possible to become free of these enemies. The stance God gave me to take was, if eye am a Christian eye am not mental. If eye am a Christian then eye am not an addict. Eye believed first eye was who God said eye was. Then second letting it roll off of my tongue to the enemy eye am not who you say eye am eye am a Christian who God says eye am. Stood my ground, submitted to God, resisted the devil and the rest is history.

You see, what eye found out was, if eye am a Christian God has a purpose for calling me into Christianity, he cannot use a mental patient for the works of the ministry. If eye am a Christian, being a crack head or a heroin addict there would be a conflict of interest. Eye am at this point intrigued, and on the edge of my seat for what's coming next.

Eye fell short in this area of believing myself to be better than that. It wasn't that eye hadn't at one point in my life had believed myself to be better than this. Eye let the enemy trick me

into believing myself to be other things than who and what God says eye am.

So life is getting better and all. Eye became liberated and started getting better and doing better.

At the time God allowed me to do a podcast. Eye wrote my first ebook." You've got this." You know just laying low not making too much noise. So eye repented for stuff like anger and unforgiveness. what eye noticed however was eye repented of internalized racism but eye hadn't repented of its counter- partner

, poverty. Today eye am using the gifts of the spirit and the holy ghost, to line things in the natural with what has been done in the spiritual world. This is why he tells Peter whatever you bind on earth is bound in heaven and whatever you loose on earth is loosed in heaven. (Mathew 16:18-19)

Eye know for a fact it works because it is what eye did to become free of internalized racism. Now eye am thinking when he freed me of internalized racism, did he not know he still had some work to do in my life, or did eye ignore him telling me it wasn't time yet? Eye really think looking back that is exactly what it was. He told me it wasn't time yet. Eye over rode it. Because eye thought eye was ready for full-time ministry. Eye have told God, eye can bear up under the weight of the blessing now. But can eye really? Am eye ready to wake up every day in the role of a king? In other words a leader. That is what he anointed me to be. It would take some serious confidence to pull this off. Basically to lead people with mental health and poverty internalized racism into their God given purpose

Is there anything too hard for God? The very first psychiatrist that eye had ever seen told me eye was not depressed, he said " you are angry and unhappy." eye can see that today. It was because things were not working out for me. Eye had begun acting out (for a lack of better words) eye had dreams and it wasn't working for Me .Eye had been too nice and by the time eye looked up eye had let a whole group of other people walk all over me. Eye never gave up hope however. Eye was looking for God. You see, eye have had some encounters with him. And eye just couldn't settle

for anything less than what he showed me eye was. But yet and still eye was going along with it. Before you know it eye had lost control. Eye no longer knew who eye was. The problem eye was facing was trying to get people to tell me eye was somebody. However you cannot leave that up to anyone else other than God to define you. Because when people get a whiff that you don't know who you are, they will give you an identity to fit their agenda, they will exploit you. You will become what others tell you you are.

One would think people are better than that, because eye was a decent person. Eye expected everyone else to be decent as well. Eye would think to myself eye wouldn't do such and such to a person so they won't do it to me. So when eye got messed up in the streets you can imagine what type of party people would have at my expense with a person being so gullible and naive. You see today, eye believe my troubles go further and beyond the scope of me. It goes back to my parents and my parents' parents. Which is a pickle in and of itself. Eye got my fathers parents

who eye did not know nor does my family know. Eye got the sins of my mothers side God would want to address; cause I'm like what's coming from where? They both were a bit kooky. So because what God has freed me of has been internalized racism. Where did that come from? Where did poverty come from. And why did God designate this thing for me to deal with and break? Not that eye am not honored he chose me because eye am. He chose to carry me from my fathers house up into this place and he has reversed the curse the Mitchells had been up under all of our lives, From off of my life.

Eye can remember at the age of 21 being in Bibleway church a prophet told me " eye was supposed to be preaching a long time ago" eye believed that to be true. Eye can remember times being with a crowd of friends and God would begin to minister to me. Eye would step away from them and work the word out he was " birthing in me, (for a lack of better words). Then when he was finished eye would go back to the crowd and blend back in. eye can remember being around 12 and me and my mother were in the parking lot of Krogers in Camp Washington, and a woman walks up to me and tells me " God has a job for you to do." When eye was at Christ Emmanuel when it was offering time and we were walking around to drop our offerings into the basket a woman stopped me and told me "God was birthing a word in you that it would come forth in his time and not mine." When eye was just a baby the Prophet of Bibleway Mother Lillian Watkins spoke over my life " eye had the call of a prophet on my life." So out of everything eye had been through in my life eye was a minister, a prophet, and a

king. In

camouflage. Now eye am working my way out of the labels the devil made me believe eye was and gravitating to the titles that were given me before eye had ever gotten started. Eye appreciate everything eye have been through because if it were not for these things eye wouldn't have been able to look and see, and know what eye was made of.

What is made known to me is, the things I'd been through were me being in the school of the holy ghost. In order for me to walk in my authority and power. He took me the way he took me. Nobody can tell God what to do or how to do what he needs done. What eye have become is a king with authority and an exit route for people who suffer and struggle with internalized racism Or AKA, A Crack Habit, and the curse of poverty.

Before eye left out and did my own thing eye was anointed as a king. After eye walked through the valley of the shadow of death eye was built to be a king. Just as King David was anointed by Samuel
at

an early age, then he went through the school of the holy spirit to be built to be a king. I don't believe King David was like ew we eye can't wait to be the King. He was tending to his father's sheep.

You see, eye have never been an addict. Eye was in school. Eye write the truth too. If you would read my ebooks you would see or hear a sound word for people struggling with addiction/ mental health and poverty. God doesn't need glass, wood, nails, brass or chrome to make a pulpit. He can and has made one to suspend in thin air. (Online)

You see, any intelligent man can go through the wilderness and memorize the escape route. It would have to be the anointing to make it applicable in the lives of other people. It is not my intellect where eye am getting my writings from. Eye receive from God what to put on paper. How is it that a boy could have experience being bullied, and being a bully at the same time?

being a bum and being shawb too, not having money with a job, having money without a job. Being soft, with memories of being hard too. I am just mentioning different experiences from my childhood and they have all been true. But they don't make practical sense. Because of what happened, these things were for you. For you to glean from my life's experiences. You see eye believe the word of the Lord as true pertaining to the earlier prophetic word my parents received about me and the one's eye received.

Eye am not what the enemy told me eye was! This is what eye have gotten from these experiences.

They have to be the reason eye experienced them. To emerge as a king and institute healing and restoration. So you could look and see your life is not over after poverty and Internalized racism.

. Just go with me for a minute off topic to pay respect to my father and to shine some light into where these things came from. My father was a deep man; he was a thinker and a reader; he was disciplined; he went to church every Sunday. Every morning he was up around 4:45 am in the word. He was disciplined.

I believe the internalized racism came from my fathers side. Eye got to take a minute and honor my father because he made it. He didn't abandon us. Also one other thing eye honor my father for he always walked with his head up never down.

You see, for a lot of people who are further along in the truth of their God given inheritance and identity they can take a more lax approach about these things, but we have to address the things that kept us in the messes our family members left for us to address. The thing about it is

they are invisible; you wouldn't even have known they were there until trouble rises, and you would have to try to figure out what is wrong and how to pray.

What eye believe is, it is not enough to be made free from poverty. You have to receive the blessing of Abraham, in your life. However the blessing of Abraham is invisible as well. Eye got around other people who thought highly of themselves. No more being jealous of others, because what eye have is just as good as what they have.

You have to stand your ground, stand in faith the same way you become free from anything else.

Once it is addressed we don't keep going back to it and asking God like did you hear me when eye renounced poverty eye was just making sure because eye was stuttering and stuff when eye was talking.

No none of that.

My faith tells me it is gone, it's over. And we wait on God to do for us what we cannot do for ourselves.

Just like how eye became free from internalized racism . To make it clear, eye couldn't even help myself. God did all of it. Eye was in over my head, if God hadn't stepped in and pulled a rabbit out

of his hat, eye have no doubt eye would not be here. And eye know eye am free from internalized racism because I no longer smoke crack . The number 1 sign eye was sick with internalized racism. In the same way eye knew eye was free of

internalized racism eye know eye am free of the curse of poverty because eye am the opposite of

poverty today. Eye am fruitful. Eye am bearing fruit in every area of my life. Eye have seed to sow, eye am reaping harvests.

So eye set out on a pursuit. When eye left Rita's house (My sister slash Mom) the last thing eye remember posting on facebook was " eye am the seed of 'Abraham and Abraham's blessings are mine. That seeing God had freed me of internalized racism by me declaring eye am the righteousness of God.

So now I'm all like lets see what will happen if eye begin declaring the truth about my identity and the loins of the man from where eye come from, Father Abraham. So eye made that declaration. He

blessed my family with a car. New furniture for myself and two of my older sisters. Bills paid heat on for the winter and ac in the summer. Food to eat clothes on my back. Eye am free of worry. How

King Jesus said " why do you worry about these things the father knows we need them." Then he gives us the instructions:

Seek first the kingdom of God and all of his righteousness and all of these things will be added unto you. (Mathew 6:33) So He handled it.

So now eye am free to fulfill my God given destiny. To be fruitful in the kingdom of God on the earth. You have to decide however to get up, get busy and become fruitful in the kingdom of God, with or without any blessings having manifested in your life. when eye say get busy eye mean living

life. If

you are in the secular world may you be the head only, never the tail. May you be blessed going in and blessed going out. May you totally dominate your field, and prosper.

You have to do it by faith. Like eye did and received miracles that eye was really in need of. You have to believe him for it. Like he is good for it. To believe him to add what you need in life. There is a system that eye live by. It is to 1 practice receiving the communion elements regularly. 2

Eye give the tenth. 3 eye Serve others, and 4 eye praise and pray. Because an unjust weight is an abomination to the Lord, a just weight is his delight. This keeps me even Steven, and my feet planted firmly on the ground. Eye practice these like it is my job. Eye do this in the type of way as seeking first the Kingdom of God and all of his righteousness. Eye start my day with a mental note to be sure eye am practicing these 4 steps.

When because we are the seed of Abraham and heirs joint heirs with Jesus Christ. God would rather us go back to where we were first disconnected from harvesting and swept away captive into poverty, and internalized racism

(addiction)

It was either us or our ancestors who welcomed the spirit of internalized racism into our hearts.

This is the missing piece of the puzzle.

God's reason for prospering us, is when we use the gifts he has given us to build the kingdom of God. when we use the gifts he has given us in the kingdom of God, in one way or another. Scripture says when our desires for the fruitfulness of the kingdom are more important to us

than money, or where or what we live in. When we can look and see how being concerned with the Kingdom comes first, we can see all of our needs being met.

When eye let go of seeking after mammon and the things of this world. Eye will see him give me the desires of my heart. If you remain in me and my words remain in you, ask whatever you wish, and it will be done for you. This is to my Father's glory, that you bear much fruit, showing yourselves to be my disciples. (John 15:7-8 NIV) This here is what pleases God, when we bear fruit. This is something eye discovered seeking first the kingdom of God and all of his righteousness. Bearing much fruit mirrors success in the secular world, to the carnal eye. Likewise being successful mirrors being fruitful in the Kingdom to the carnal eye. Both are good, but when they can become bad is when eye begin to act like eye have arrived on my own.

Eye began serving at my church, praying for others helping my older sisters whenever and however eye could. God added a vehicle; and furniture for myself and two of my older sisters.

Now the furniture that was going to my sisters was loaded on the truck. My nephew was dropping it off, he hadn't planned on giving me any furniture, but the woman who was supposed to get the furniture said she didn't need it. So my nephew called and asked if eye wanted it. So he brought me this nice living room set. Upon entering my apartment he said to me, do you need a dinette set? Eye said yes, and then he said what about a bed? Eye got a queen size bed. Do you need a bed? These were just the big items. Thank you, Lafayette Mitchell. May God continue to prosper you! People sometimes act like they are too good to receive things from people or act like "Why can't you buy your own furniture? Listen eye am okay with receiving from others today because eye know in my heart of hearts God wants me to be blessed. So if God chooses to take the route of good measure pressed down shaken together running over to bless me eye am on board with it, My tent has been enlarged. He did this only

after freeing me from internalized racism. (a drug habit) And freeing me from poverty; is only the next logical thing he would have done. He will never stop outdoing himself. Eye thought he was setting me free of a drug habit, when what he was actually doing was freeing me from poverty, and being made free of addiction was a bi-product of him freeing me from poverty.

Eye have big dreams. Eye see myself doing a lot in the kingdom. And eye have everything eye need to make this happen. And eye don't miss an opportunity to write a message. Whenever eye feel the quickening to write eye am there. Eye love doing what eye do. And eye do it for the kingdom. Eye also want to thank God for the Internet Archive. For allowing me to get my material out. Now eye have a powerful message. Eye know it is powerful. It is what God used to save my " crazy but with" Laugh out Loud! Eye give my ebooks away for free. It was what eye originally agreed with God to do being inspired by the scripture in

Revelation 22:17 " The Spirit and the bride say, "Come!" And let the one who hears say, "Come!"

Let the thirsty one come, and let the one who wishes take the free gift of the water of life."

What eye have is free! It is not a lack of money we have but a lack of dreamers, to become anything great. Instead of looking for a harvest of money. The promise of God for you, the promise of God for me is linked to you and me doing something that will be able to produce a harvest. Doing something in the Kingdom or for the Kingdom. Because when God deals with us he either deals with us in a whole state or a broken state. If you are in a broken state his number one priority is your restoration, it is making you whole. If you are in a broken state may eye recommend you read the book When his heel crushed his head? Also, the book Free. You can find both of them on my Facebook page. You just might get your breakthrough.

It is when we discover our God-given purpose and don't even consider going up to Jerusalem to confer with the other Apostles. (Galatians 1:17) when we have to choose to use our gifts in the secular world or for the Kingdom. It is your gift to choose. Just so long as you give the tenth. Now certain gifts just won't jive well in the secular world.

Now eye dive right into what he leads me to do. Because your gift will make room for you. It is going to be necessary for us to know what our gifts are. That is how God wants to bless us. For you to seek Him to know your God-given gift rather than looking in other places. That's what pleases God. The gift is what we ultimately want to see active in our lives. For me a writer, but what I am writing is coming from the gift of the spirit, through the gift he has given me as a writer. The gift is where God will point to when it is time to harvest because it will burst through the gift he has given me. "Honor the LORD with thy substance, and with the firstfruits of the increase: So shall thy barns be filled with plenty, and thy presses shall burst out with new wine" (Proverbs 3:9-10) "Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness. You will be enriched in every way so that you can be generous on every occasion, and through us, your generosity will result in thanksgiving to God" (2 Corinthians 9:10-11) We settle at being able to obtain a job and getting a check. When we were restored as the seed of Abraham to see him redeem the time and give unto us the ministry of reconciliation. Eye am not saying everyone needs to quit their jobs and just go to church and serve in church. What eye am saying is God wants us to be more passionate about the Kingdom of God than we are about our careers or our personal lives. That is why scripture says "But seek first his kingdom and his righteousness, and all these things will be given to you as well." (Mathew 6:33 NIV)

Reconciling us to our purpose and the reason why he reconciled us and gave us certain gifts. Not to mention we are therefore equipped to reconcile others to him. Not to mention we are the

seed of Abraham with the Lord rebuking the devour for our sake. Blessing whatsoever we put our hands to do. Whatever two or three of us touch and agree upon we can consider it ours. Especially if we are heirs and joint heirs with Jesus Christ. “ eye am the vine, ye are the branches: He that abideth in me, and eye in him, the same bringeth forth much fruit: for without me ye can do nothing. If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you.”

“ Herein is my Father glorified, that ye bear much fruit; so shall ye be my disciples.

As the Father hath loved me, so have eye loved you: continue ye in my love.

If ye keep my commandments, ye shall abide in my love; even as eye have kept my Father's commandments, and abide in his love.” (John 5:8-12)

Because if he has given unto us the ministry of reconciliation what is he reconciling us to? Where we dropped the ball and settled for some quick cash, a hustle, or ay 9 to 5. He is the redeemer of the time. A lot of us have broken dreams and shattered promises. Well if he has given unto us the ministry of reconciliation this is what he is reconciling us to. Now for a lot of us, we would say it is too late. Well if you cannot have the faith for him to restore you to your purpose then that is what it is. Because faith is a prerequisite When we have been restored in this area (faith), we will see a harvest. Eye don't count anybody out! Because how in the world did eye get here? Me having a word for anyone is a miracle. For those who knew me when would agree? My former Christian life and my former heathen life both were barren. This would have to take the Kairos to be a part of it.

When we were filled with the spirit, and the gifts of the spirit, this is what he gave us those gifts for, this is what he filled us with the spirit for; were for you to be able to pull it off this time. We are talking about our God-given destiny. He wants to give you your miracle; he wants you to go back to when and where you gave up. He wants to be the one who gives it to you. No matter if it would be to be an Artist or a Writer. A singer or a dancer, If this is what he gifted you to do and to be. You will automatically know what to do. Until you know what to do rather than doing anything to everything, just be still. Hey, you are a King's kid. Your daddy owns the place.

When eye was in Cincinnati State God gave me the choice of staying in school and pursuing a degree in Social work or dropping out and pursuing my God-given destiny. Which was not in secular education. He set before me the scripture: "Why kickest thou against the prick? (Acts 9:5-6)" So eye began to pursue God, giving up the opportunity to secure a steady paycheck and artwork for my wall. Eye believe eye made the right choice. So, just as eye had the guts to drop out of school all on a quickening of the spirit to pursue my God-given destiny. Now my purpose was and is in the ministry to help people.

This is why he wants to be the head of our lives. This is because an innocent desire to pursue our dreams can become messy when money is involved and you do not have Christ at the center of your life. The pursuit of a career will easily become mingled with the love of mammon.

When you look up and see something you have never had and then all of a sudden have it. Well, mammon is designed to rob our relationship with God. when you and eye were on our pursuit of God redeeming the time, and when we were ignorant of the effects of having money and not knowing its purpose the thief who automatically comes to kill steal, and destroy will see

an easy target, and before you know it, you have switched from your pursuit of purpose to being deceived by the love of mammon. Remember eye said earlier that success mirrored being fruitful in the Kingdom and being fruitful mirrored being successful. The thing about being deceived is that you are always the last one to know you have been deceived. So God is in the predicament of going ahead and giving you your inheritance with his fingers crossed hoping for the best. Or giving you and me the situation time to be taught and learn and see what the enemy has planned for you and me when you get money into your possession. Money is so powerful it was one of the things the Lord was tempted with when in the wilderness with the devil. “ Again, the devil taketh him up into an exceeding high mountain, and showeth him all the kingdoms of the world, and the glory of them;

And saith unto him, All these things will eye give thee, if thou wilt fall and worship me.

Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve” (Mathew 4:10)

So if he had the nerve to approach King Jesus with money you can know with certainty your time will come. We know the scripture says “ Beloved, eye wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.” (3 John 2 KJV) When you are a joint heir with God through Christ Jesus he is and has taught us and schooled us of all of the works of the devil. By the time we come into our purpose. Knowing it will automatically bring you wealth. By the time you step into your God-given purpose, you are up and ready to go. Because being in the school of the holy ghost covers these matters. When and if God gives you the choice, to choose God or secular you have his favor for the whole ride. Now I am not talking about things you have to have a secular education for, like an engineer, or doctor, and such.

Don't misunderstand me, God can give you the wits to go to school to fulfill your dreams if that is still something you want to do. If it is still something you want to do chances are it is God desiring it through you. Scripture says It is him who works in us both to will and to do according to his own good works.

Part two:

Father Abraham had to undergo a vigorous transformation including having his name changed. Offering up his son Isaac. Receiving communion elements, giving the tenth, circumcision of himself and his whole house. God chose Abraham from the nation of Israel to enter into covenant with. The initial thing that caught God's eye with Abraham was his faith. It says And Abraham believed God. and God counted it as righteousness. Now just thinking out Loud here, but just my faith to be made right with God for the rest of my days. Eye would have thought to myself, wow that's favor! Yet Abraham had to submit to this transformation and what we know today surrounding the vigorous act of circumcision is that circumcision is symbolic of God giving us a new heart. " A person is not a Jew who is one only outwardly, nor is circumcision merely outward and physical. No, a person is a Jew who is one inwardly; and circumcision is circumcision of the heart, by the Spirit, not by the written code. Such a person's praise is not from other people but from God." (Romans 2:28-29 NIV) So he saw something in Abraham that needed to be fixed upon entering into a covenant with him. So in the new covenant we have been privy to this information that the heart was desperately wicked. (Jeremiah 17: 9-10 KJV)

King Jesus says it is not what goes into a man that defiles him but what comes out. (Mathew 15:11-20) So we are the seed of Abraham; being considered for being heirs of Abraham. We must have been looked at by God in the same light he looked at Father Abraham in. He saw our hearts being the potential disqualifier of inheriting the promise of Abraham. So we too should aim to deal with the matters of the heart, not in the same manner of course. But why didn't we see or hear in Father Abraham's story things like adultery murder rape like we heard in so many of the other stories? It was because God put a new heart in Father Abraham he cut away the lust of the flesh, the desire for other things, and the deceitfulness of riches. You see this is not a mystery eye am revealing here. That is what circumcision represents. But when Melchizedek and Abraham swapped the bread and wine, Abraham gave Melchizedek the tenth. He was returning the place of man's heart to God that had been taken away by the serpent in the Garden of Eden. This right here is the big deal revolving around why we need a new heart. Not because we necessarily have done bad things but because our hearts had been tampered with in the beginning.

Abraham gave unto God the firstfruits. He made the wrong right of Adam And Eve in the Garden. Abraham was saying eye choose God over money. He was replacing the place of man's heart that had been tampered with in the garden of eden.

Giving the tenth regularly has made me more God conscious And this is the way it is supposed to be. So tithing gets us back to putting God first in our lives. We will notice how we consult God for things we use to just subconsciously go out and do in our own will. It is because my money is involved, and eye need to know where my money is going, and what it is being used for.

That's why my heart is where my treasure is. If eye am giving " my money " you better believe, eye am going to be all in on it! We are being transformed into the seeds of Abraham so that we resemble Father Abraham's seed. It is an identifier of us being the seed of Abraham, our faith. The things that once used to do it for me are dead. Crucified with Christ. And now eye

am more concerned with being a blessing and helping others. Now that in and of itself is miraculous, an ex-drug addict is concerned with others today. And not just by giving the free ebooks and making myself available to God on social media. Eye give the tenth today. And now and then eye take it up to 13 and even 16 percent. I'm trying to tell you all that serving God is exciting and exhilarating. And you know what, before when eye was living saved legalistically eye didn't even know why it was so important to God for us to tithe. Didn't even know where the money was going. That was flat-out fear! Not so today, eye know where the money is going; along with taking care of our leaders which eye am down for. Being a blessing to the men and women of God makes for some good good grace. But right here is where eye am grateful for the parents that eye had, because they were about this. "To loose the chains of injustice and untie the cords of the yoke to set the oppressed free and break every yoke? Is it not to share your food with the hungry and to shelter the poor wanderer—when you see the naked, to clothe them, and not to turn away from your flesh and blood? Then your light will break forth like the dawn, and your healing will quickly appear; then your righteousness will go before you, and the glory of the Lord will be your rear guard. Then you will call, and the Lord will answer; you will cry for help, and he will say: Here am I. If you do away with the yoke of oppression, with the pointing finger and malicious talk, and if you spend yourselves on behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness, and your night will become like the noonday. The Lord will guide you always; he will satisfy your needs in a sun-scorched land and will strengthen your frame. You will be like a well-watered garden, like a spring whose waters never fail. Your people will rebuild the ancient ruins and will raise the age-old foundations; you will be called Repairer of Broken Walls, Restorer of Streets with Dwellings." (Isaiah 58:6-12)

And eye look for the rewards that God has promised we would receive when we do this. To me, that is faithful stewardship. This is miraculous. God has transformed me into this man. Like people who eye used to run with wouldn't even recognize me today, eye have evolved so much. To God be the glory. By Tyler Mitchell
